APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to existing rights and is further
subject to revocation when water is available from the Las Vegas Valley
Water District, and is limited to what the well will produce but not to
exceed 0.80 c.f.s. A meter must be installed in the discharge pipe line
near the point of diversion, and accurate measurements must be kept of
water placed to beneficial use. It is understood that this right must
allow for a reasonable lowering of the static water level. This source
is located within an area designated by the State Engineer pursuant to
NRS 534.030; therefore, the State retains the right to regulate the use of
the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not to exceed.....0.80.....cubic feet per second.
